## ANNIVERSARY DINNER CELEBRATION

In keeping with the established policy of the Tribe to give our own members the opportunity to view the latest development on Tribal property. Please set apart the date of April 24, 1999, as the time when Tribal members will have the first viewing of the swimming pool/fitness center at Seven Feathers. This will also be an observance of the fifteenth year of "Tribal Recognition" and the seventh year anniversary of Seven Feathers Casino.

More information will be forth coming, as to the time schedule. Dinner will be served and we will notify you about calling in your acceptance so that an accurate headcount can be taken for the food preparation.
