BULLETIN

Construction on the Bingo Facility on the Tribal Reservation will soon be underway. Vik Construction will be the General Contractor responsible for the construction job. Vik Construction has provided the Tribal Office with a copy of the plans and specifications for the tree removal sub-contract. If you own a business interested in bidding on this job, please contact the Tribal Office to make arrangements to review the specifications. Bids are due in at Vik Construction by 4:00 p. m., November 8, 1991. All bidders must be qualified and meet the licensing, bonding and liability requirements of the General Contractor.

The Tribal Office often receives announcements for contract jobs for Native American Businesses, therefore, we are maintaining a list of business that are owned by tribal members. If you would like to be placed on

this list, please call the office or mail us your name, your business name, address, telephone number and a description of what types of work your interested in.

The Tribal Office also keeps a list of job advertisements from state agencies and other organizations. If you are interested in reviewing these ads, please stop by the Tribal Office and look at list.
