## VIDEO MACHINES COMING SOON

At this time, it appears that the video terminals should be in operation the week of February 7th. Machine software, licensing and permits are being reviewed by the State of Oregon at this time. There are many security measures on the machines that are required by the State, for the protection of both the Tribe and the client. The State has been most helpful in expediting these matters. The Cow Creeks are the first and only tribe in the State to have secured a Tribal/State Class III Gaming Compact as mandated by the Indian Gaming Regulatory Act. We are most fortunate that this has been negotiated and that we are able to begin operations at this time. It has been a very complicated process, but worth it. The Tribes' negotiating team worked within the confines of IGRA and feel positive about the results.

## ECONOMIC DEVELOPMENT UPDATE

The Board of Directors and the Economic Development Board, along with Administrative Personnel, have been considering an industrial project for the better part of a year. This project is still in its infancy and will require more meetings and certainly further in-depth study before any decisions are finalized. As with any business venture, there are many aspects that must be considered. It must be emphasized that at this time there is nothing concrete to report. Also, it is likely that direction for the project will change several times during negotiations. The back lower section of the reservation property, by Board action, had previously been designated for projects of this nature.

### TRIBAL I.D. CARDS

Tribal Identification Cards will soon be available to interested tribal members. We are in the process of acquiring an embosser bearing the tribal logo, after which time we may proceed with production of the cards. There will be two basic cards. One will be for those who are under the age of 18. Permanent cards will be issued to those over 18. The cards will contain the following information:

- 1) Name
- 2) Social Security number
- 3) Cow Creek enrollment number and BIA number (for those who have a BIA number)
- 4) Picture
- 5) Embossed seal of Cow Creek Tribe
- 6) Signature of individual or guardian
- 7) Signature of Chairman
- 8) Date issued.

Tribal members will be responsible for providing the proper sized picture. The dimensions should be 1 1/4" x 1 1/4", and the picture needs to be a clear close-up.

Interested parties should call Carol McKinney at 672-9405 or 1-800-929-8229. You will be sent the card for your signature. DO NOT FILL IN ANYTHING ON THE CARD EXCEPT YOUR SIGNATURE. SEND YOUR SOCIAL SECURITY NUMBER ON A SEPARATE SHEET OF PAPER. In order for cards to be uniform, this procedure must be followed. It will then be returned for the Chairman's signature, embossing and lamination.

## CONTRACT HEALTH SERVICE UPDATE

Since we took over the health contract in August, 1991, several of the providers are sending the paperwork to Chemawa. This makes it necessary for Chemawa to send it back to us and there is a possibility of it being misplaced. It also takes longer to get your claim paid. When you have an appointment, please tell the desk person you are Cow Creek and have them send the paper work to us at:

Cow Creek Contract Health  
2245 Stewart Parkway, #B  
Roseburg, Oregon 97470

This address also appears on all Purchase Orders. If they have any questions, please have them contact us at 672-8533.
