Board of Directors Schedules Out-Of- State Meetings

For quite some time, the Board of Directors has been planning to get some meetings scheduled out of the area at various places where several families live. They felt it important to be able to furnish information, firsthand, to tribal members, to answer questions, etc.

The first such meeting will be:

Tribal Disbursement Plan Update

The Disbursement Plan, now tribal law, which has been approved by the Board of Directors, has been submitted to the Bureau of Indian Affairs for approval. A great deal of time and effort has been expended in the preparation of this document. Trust accounts are being set up for enrolled tribal members under the age of 18. The BIA has 90 days to approve what has been submitted, if they do not respond during that period of time the plan, as presented, goes into effect and the disbursement can begin.

If approval comes from the BIA before the deadline, disbursement will begin within 15 days. Please make sure your address is correct at the Tribal office in order to receive your disbursement check when the plan is approved.

Our next meeting day will be Sunday, December 17, 1995, from 2-4 p.m. **WILDLIFE IMAGES WILL BE DOING A PRESENTATION**, weather permitting. Some of the expected animals are American Kestrel, Eagle, Owl, Raccoon, a Snake and more. The entire family is invited. Please call Rhonda Malone at 1-800-929-8229 if you have any questions.
