

IMPORTANT NOTICE

Tribal Distribution Payment Change

Dear Tribal Member,

Welcome to the new way you will receive your Tribal Distribution Payments. Starting with the first Tribal distribution payment in 2021, you will receive a Rapid Pay Card.

What is a Visa Rapid Pay Card? It works just like direct deposit, but the funds are deposited to the Visa PayCard instead of issuing a paper check each pay period. It is a prepaid card that does not require a credit check. It allows you to collect and spend your pay without hassle or inconvenience. A rapid! PayCard can be used at millions of ATMs and merchant locations worldwide, anywhere Visa debit cards are accepted.

What are the benefits of receiving your distribution on a Visa Rapid Pay Card?

- Faster access to your distribution funds
- Eliminate the fees and hassles of check cashing
- Access to cash at surcharge-free Allpoint and MoneyPass ATMs whenever
- Access to statements
- Bill pay option
- Ability to open an interest earning savings account
- Payments received onto your rapid! PayCard can be transferred via ACH into your other traditional bank accounts. You choose the amount to transfer and control your rapid! PayCard balance.
- And so much more.

In order to set up your Rapid Pay Card prior to payment we will need to following information filled out and returned. Please contact payroll for further information, questions or concerns.

Fill out information below and return to 2371 NE Stephens St, Roseburg OR 97470 before August 31, 2020:
